Foundation Scholarships
Sioux Center Health Foundation is providing scholarships again to area high school students and community members who are actively pursuing a career in the health field.

Visit www.siouxcenterhealth.org/foundation to download a scholarship application. Applications are due by Friday, January 13.

This year the Foundation will be awarding scholarships to:
- Seniors from area high schools will be awarded $750. Seniors can be from Sioux Center, Hull, Western Christian, Boyden-Hull, Unity Christian, Netherlands Reformed and Trinity Christian.
- Employee Family Members (immediate family) will be awarded $750.
- Sioux Center Health Employees will be awarded $1500.
- College level Freshmen/Sophomores will be awarded $750 and Junior/Senior level will be awarded $1500.

Winter Reading Program
The Winter Reading Program is back at the Sioux Center Public Library! We will have the forms ready for you to pick up beginning January 23! This will run until March 4. The challenge this year is new and based on the All Iowa Reads book: Bottomland by Michelle Hoover. Prizes will be awarded at the end of the program, of course! Hope everyone is ready for some Hot Reads for those Cold Nights!

UFO Night at the Library
Do you have a lot of Un-Finished Objects laying around the house? Come finish them without distractions at the new UFO Night at the library! Work on your PhD (Projects Half Done) while enjoying a beverage and some adult conversation. Bring your knitting, journaling, coloring, ANYTHING! Color pages will still be provided. UFO Night will be held on the first Thursday evening of every month, beginning January 5. Registration is not required.

Know the 10 Signs
The Sioux Center Library will be offering an interactive workshop on age-related memory loss and Alzheimer’s disease. Know the 10 Signs. Early Detection Matters will be held on Monday, January 23, at 6:30pm. If you or someone you know is experiencing memory loss or behavioral changes, it’s time to learn the facts. Early detection of Alzheimer’s disease gives you a chance to begin drug therapy, enroll in clinical studies and plan for the future. Join us and learn the differences between age-related memory loss and Alzheimer’s and what to do if you or someone you know has signs of the disease. Stop in the library to register.

Are You Ready to Read 2017?
The Sioux Center Public Library would like to challenge you to read and review 12 books in 2017! Grab a punch card and information at the circulation desk any time after January 1. Prizes will be awarded each quarter and at the end of the year!

Interstates wins award

Interstates Becomes Two-Time System Integrator of the Year Award Winner

CFE Media Honors Interstates with 2017 System Integrator of the Year Award in Large System Category

Interstates has been selected by CFE Media as the 2017 System Integrator of the Year in the large system integration category. Entries were divided into three separate categories based on revenue and the size of the organization. Interstates was part of the large system integration category with more than $15 million in annual integration revenue.

“This focus has helped improve the way we run our business and overall client satisfaction. I’m proud of the entire organization and pleased that our efforts have been recognized by our peers.” In 2010, Interstates was honored with the System Integrator of the Year Award, making the company a two-time award winner.

System Integrator of the Year

Each year, a panel of Control Engineering and Plant Engineering editors along with industry expert judges, come together to select the System Integrator of the Year Award winners. Winners are selected in three categories based on revenue and the size of the organization. General criteria considered for the selection of winners includes: business skills, technical competence, and customer satisfaction. All winners are inducted into the System Integrator Hall of Fame.

Interstates

Interstates specializes in turnkey electrical systems for industrial manufacturing and processing facilities. The company offers full service design-build electrical contracting, engineering, automation, and instrumentation worldwide. Corporate headquarters are located in Sioux Center, IA, with regional offices in Sioux Falls, SD; Omaha, NE; Fort Collins, CO; Cincinnati, OH; Salina, KS; and Brainerd, MN. For more information, please visit: www.interstates.com.

Panacea Technologies are indicative of the groundbreaking integration projects that will help manufacturing become smarter, safer and more productive.”
