LEADERSHIP SIOUX CENTER March Session

Last month's Leadership Sioux Center was filled with so many great moments!

In the morning, participants presented the outcomes of their group projects partnering with local non-profits. We spent the rest of the day learning about the many different industries that serve our community. From construction, to restaurants, to manufacturing, and our local bakery!

Thank you to everyone who partners with this program and is willing to share their story. It is incredibly valuable for our participants!

Annual Book Giveaway

Center Fresh celebrated its annual Dr. Seuss Week March 2-5. During the Read Across America week, we distributed approximately 450 books throughout the area. We went to libraries, schools, and also dropped some off at local food bank and Promise Health.

A combination of Dr. Seuss' Green Eggs & Ham and The Lorax books were handed out. Green Eggs & Ham were given to area 1st graders while the Lorax was donated to local libraries for their story hours. Both books were provided in English and Spanish if needed.

New this year Bruce came along and read the Green Eggs and Ham book to our local Sioux Center elementary schools. The kids LOVED it!

This is our second year encouraging reading during Dr. Seuss week, and it continues to be a wonderful success for both the schools and the community and very much appreciated.

FFA Breakfast a Great Success

On February 25, Center Fresh served breakfast at the FFA shop. Approximately 175-180 people attended, making it a well-supported and enjoyable event for students and the community alike. Thank you to everyone involved in helping make the morning a success!
