MAY 2025 Library Announcements

THE LIBRARY WILL BE CLOSED ON MEMORIAL DAY

The Sioux Center Library is partnering with Elderbridge to offer a program on **Caregiver Support and Elder Abuse Prevention & Awareness** on Tuesday, May 6, at 10:00am. Whether you're currently caring for a loved one or simply want to be informed, you are invited to join them for this event!

All leaders are invited to the **Lead & Inspire Book Club** on Tuesday, May 13, at 5:00pm at the library. We will be discussing the book *High Performance Habits* by Brendan Buchard. This is a great way for leaders to connect and increase their leadership skills.

Registration for summer programs at the library will open on May 15. We have programs for all ages! Quite a few programs do have a limit on how many can attend, so don't wait to sign up.

The **Shelf Discovery Book Club** will meet on Saturday, May 17 at 10:00am to discuss the book *The Keeper of Lost Things*. A copy of the book is available at the front desk.

Stop in during **Tech Tuesday** on May 6 or May 20 for assistance with any of your technology needs. We will have staff available to help from 1-3:00pm for any basic computer or tablet use. No appointments necessary.

Sioux Stitchers will be meeting at the library on Tuesday, May 20, at 1:30pm. Visitors are welcome!

To see a complete list of all the upcoming programs, or to sign up for a library event, please visit our website at www.siuoxcenterlibrary.org.

ABOUT CENTRAL KITCHEN & BATH

Central Kitchen & Bath, a division of Plumbing and Heating Wholesale, is a premier design showroom located in Sioux Falls, SD. Known for its curated selection of luxury products and unparalleled customer service, CKB is a trusted partner for homeowners, designers, and builders seeking elevated, design-forward solutions for kitchens and baths.

Central Kitchen & Bath Announces Grand Opening of Luxury Destination Showroom

SIoux FALLS, SD – Central Kitchen & Bath (CKB) is thrilled to announce the grand opening of its newly expanded luxury showroom, taking place on Thursday, May 29, 2025. To celebrate this exciting milestone, CKB will host an exclusive Great Gatsby-themed Black-Tie Affair—an evening of elegance, innovation, and celebration.

This one-of-a-kind destination brings the elevated ambiance of major design hubs—like Chicago, New York, or Miami—directly to Sioux Falls. The showroom offers homeowners, interior designers, and builders access to world-class kitchen and bath solutions, right in the heart of their community.

“Everything about this showroom is meant to be an experience,” said Susan Sneller, Showroom Manager. “From the moment you walk in, you’ll see finishes and products typically only found in major metropolitan areas—and now they’re available right here in Sioux Falls.”

As a proud member of the Luxury Products Group (LPG), Central Kitchen & Bath belongs to an elite network of independent showrooms recognized for excellence in product selection, service, and customer experience. As an official Destination Showroom, CKB provides a comprehensive, curated experience where clients and design professionals can seamlessly collaborate on every aspect of a home renovation or new construction project.

Designed to inspire and impress, the showroom features an exclusive collection of high-end appliances, including AGA and Viking, with panel-ready refrigerators and European-style ranges that integrate beautifully with custom cabinetry. Visitors will also discover a handpicked selection of luxury

faucets from Graff, California Faucets, and Isenberg, marrying innovation with timeless design.

Susan Sneller created the showroom with designers in mind. “Our showroom is a place where designers can bring clients, walk through the space, and select everything—from cabinets and lighting to faucets and fixtures—all in one streamlined experience. Whether it’s a renovation or new build, CKB makes the process smooth, creative, and collaborative.

The showroom also showcases unique statement pieces, such as a hammock tub by Maidstone, a variety of trending fluted tubs, and a breathtaking Hudson Valley chandelier finished in mesh gold. With 15 fully functioning showerheads on display, guests can interact firsthand with luxury shower features—an immersive experience unmatched in the region.

CKB’s cabinetry offerings include top brands such as Berch, Elias, Fabuwood, and Helmut, providing fully customizable solutions that complement luxury appliances. Details like integrated lighting, soft-close drawers, and hardware from Richelieu bring a refined touch to every space.

“This showroom is more than just a place to see beautiful products—it’s a space where creativity comes to life,” said Sarah Pepper, Vice President of Marketing, commenting on the Capri, Hoh, Sedona, Arcadia, Doral, and Hunter Lodge vignettes. “Susan has designed every corner to spark inspiration and make the design process exciting and approachable for homeowners and professionals alike. Whether you’re starting from scratch or updating a single detail, the team here is dedicated to bringing your vision to life.”

Who We Are - Ace Hardware

I'll start by saying we're still here. Almost gone are the days of the "ma and pa" hardware stores, but not quite. I'm hoping that the Orange City Ace Hardware store stands for something and keeps on standing throughout the test of technology and the test time. Where would we be without technology? The internet, cell phones, Amazon, Facebook, eBay, Twitter, and so on and so forth simply run all our lives. It's not always a bad thing, but sometimes it can make business hard. Almost anything you can imagine is right there at the push of a button, except human connection and a helpful smile. Don't get me wrong.... we're online too, but that's not who we are.

At Ace we don't just claim to be "The Helpful Place", we aspire to be the most helpful hardware store on the planet. There is no sin in wanting to be the best. Sure, it's an unachievable dream to be the best, but without dreams what would the world be? Of course, we also compete against the big boys too, the box stores covered in blue, orange, and green. Rather than dwell on who we aren't, I'd like to tell you who we are and what we do.

The Kopetsky family, in Yankton, SD, has been in the hardware business since 1975. Leo and Carol have 3 boys, Clark, Gregg, and Kenny. The whole family has worked and remained working in the hardware business in some fashion in one way or another throughout the years. The Kopetsky family has a 50-year legacy of hard work and helpfulness. In 2016 they opened their second store in Orange City, IA. I was fortunate enough to have met Kenny a few years before the Orange City store opened, and in 2018 I became the store manager. A year later I become a partner, fast forward to today, my wife and business partner Miranda, and our two daughters, Elizabeth and Ariel, also work at the store. Our 5-year-old Charlotte doesn't work here yet, but she thinks she runs the place.

Sioux County is a special place. I didn't know that until I came here in the fall of 1999 to play football at Northwestern College. I then fell in love with a Pizza Ranch delivery girl

who went to Dordt University. Trust me it's the best of both worlds red and black can get along. Between Orange City and Alton there are two high schools, one K-8, one middle school, and a college. Sioux Center has one K-8, one elementary, one middle, one high school, and a university. Now I'm not going to rattle on about all the other towns in Sioux County, but just looking at two towns and the number of schools it's easy for me, the transplant, to see how special this place is. When the Orange City Ace Hardware opened, I remember hearing, "can we really use another hardware store?" We strive to be more than "just" another hardware store.

Yes, we sell nuts and bolts, plumbing and electric, lawn and garden, outdoor power, and power tools, but we also do some fun stuff too. We don't just sell grills. We love to demo grills, and more importantly I love to give away food and try new sauces and rubs. We sell brands like Oakley, The North Face, and Groove Life. We have a bike shop inside our store where we sell Trek, Retrospec, e-bikes, and service your new and current bike! Last but certainly not least, we are a paint store! Ace has partnered with Benjamin Moore to deliver the highest quality products to homeowners and contractors. Business to Business is a huge part of what we do. New contractors to Ace receive 10 gallons of any paint in any color! We're open 7 days a week, including Sunday's noon to 4 so you can do even more! Stop by and see us today! And if you've read thus far, I thank you much- **Don King**

your health our promise
