Congratulations to the 12th Class of Leadership Sioux Center!

We recently celebrated the graduation of the Leadership Sioux Center Class of 2026 — a group of dedicated leaders committed to personal growth, collaboration, and community impact. Throughout the past year, participants gained a deeper understanding of Sioux Center and strengthened their passion for civic leadership.

Thank you to Mayor Paul TenHaken for serving as the keynote speaker and encouraging graduates to lead authentically, and to Heck's Dakota Style BBQ for the delicious meal.

Sioux Center Chamber Receives MACE Marketing & Communications Award

We're proud to share that the Sioux Center Chamber of Commerce has received a Marketing & Communications Award from Mid-America Chamber Executives (MACE) for our Sioux Grown campaign.

This annual award recognizes outstanding marketing initiatives from chambers with fewer than 400 members, highlighting innovation, quality content, and meaningful audience engagement. The Sioux Grown campaign was created to celebrate and connect Sioux Center and the greater Sioux County community through the stories, people, and impact of agriculture across our region.

This recognition reflects the strong collaboration behind the campaign. We extend our sincere thanks to our Ag Committee for their leadership, creativity, and dedication in bringing Sioux Grown to life. Their work helped ensure the campaign authentically represents the agricultural roots and future of Sioux Center and the surrounding Sioux County area.

We're grateful for the opportunity to share our community's story and celebrate the industries and individuals who help our region grow.

The Epic Team brings a depth of experience in the Northwest Iowa market, with a shared focus on building lasting client relationships and guiding buyers and sellers through every stage of the process. Their roots in the community run deep - and that local knowledge comes backed by the tools, training and national reach of the CENTURY 21 brand. “We are beyond excited to partner with Epic Realty to bring The Epic Team into CENTURY 21 Signature Real Estate” said Travis Bushaw, C21 Managing Broker. “Jenn Jansen is a pillar in her community and a leader not just locally, but also within the real estate industry at the state and national level. The agents that are joining C21 with The Epic Team are exactly what we look for: professional, committed, and focused on relationships.”

“We were invited to the table of a reputable nationwide company that is known for supporting brokerage owners in ways that increase capacity, not pressure. They invest in everyone’s unique abilities and provide ways to support and elevate our business! They invest in systems that simplify rather than complicate, they understand we know our communities and clients the best! This is about growth for EPIC! Century 21 Signature Real Estate is a network of esteemed REALTOR® professionals throughout the state, focused on professional development, client experience and supporting the communities we serve. What became clear in this conversation is that the strongest brands are built by leaders who never lose sight of why they’re building in the first place—to support agents, consumers, and communities. That philosophy is where Epic Realty and the CENTURY 21 SRE partnered and we can’t wait to share all the many MORE wins of this partnership! We will be hosting a ribbon cutting and open house soon, watch for details. Thank you for the ongoing support, we love serving Northwest Iowa!”

Sioux Center Health to Celebrate 75th Anniversary with Community Open House

SIOUX CENTER, Iowa, May 18, 2026 – Sioux Center Health invites the community to join its 75th anniversary celebration with a community open house on Thursday, June 25th from 4 p.m. to 7 p.m. in its Town Center. The open house will feature an interactive demonstration of the hospital’s new da Vinci 5 robotic surgical system. Photo galleries commemorating the history of Sioux Center Health and its continued growth will be on display. Alongside this historical showcase, the celebration will include family-friendly activities and hands-on experiences throughout the event. Complementary appetizers and beverages will be provided on behalf of the award-winning Nutrition Services team.

Sioux Center Health opened its doors as an acute-care facility in 1951 with the goal of serving the Sioux Center community through health ministry. To support the increasing demand for medical services, an OB/ER/LAB addition was opened in 1972, and the medical clinic was constructed in 1991.

Since 1994, the hospital has partnered with Avera, receiving support from their health system of over 300 locations in eastern South Dakota and surrounding states. In 2014, Sioux Center Health opened its current facility and continues serving local communities with comprehensive care through every stage of life.

Guests and the business community are encouraged to invite family and friends, tour the facility, and experience this historic evening at Sioux Center Health.
