JUNE 2025 Library Announcements

The library is excited to announce that they received a grant from NASA's Universe of Learning, the Space Science Institute, and the National Center for Interactive Learning to receive a "Discover Exoplanet Exhibit" to display in the library this summer. This exhibit will tie in nicely to our summer reading theme "Reading Is Out of This World". We will have many space-themed programs at the library focusing on space and the exoplanets, including:

- **On June 5** Dr. Channon Visscher will lead a presentation called "Discover Exoplanets" at 7:00pm. Find out what worlds lie beyond our solar system! We'll be exploring the exciting field of exoplanet science.
- **On June 9** we will be having a Discover Exoplanets kick-off event from 6-8pm! There will be stations that families can move through including decorating an exoplanet cookie, exploring the insides of exoplanets, stomp rockets & telescopes outside, and a scavenger hunt through the Discover Exoplanet Exhibit at the library. Vero's food truck will also be in the parking lot during this event!
- **On June 12** we will learn about telescopes and do hands-on activities with the Sanford Museum & Planetarium out of Cherokee, IA.
- **On June 21** the Domino Masters will be creating a space themed domino run at the Centre Mall. The public is invited to watch the topple at 4:00pm.

The **Summer Reading Program** will run from June 2 – August 2. Participants can pick up their reading logs at the library anytime during those dates and start reading for the chance to win some great prizes!

Award-winning kid rocker, **Jim "Mr. Stinky Feet" Cosgrove**, will be back at the library on Wednesday, June 4 at 3:00pm to lead a lively musical program. Kids and families are invited to attend!

The Sioux County Naturalists will bring an "**Out of This World**" adventure to the library on Tuesday, June 10, at 3:00pm, as part of our summer reading program.

Ladies you are invited to the library on Wednesday, June 11, at 7:00pm for a special **Ladies Night with Angela Youngers!** We will have refreshments, party games, and listen to Angela share about her book *Another Dance*.

The library is hosting another **Pizza, Puzzle, Pop** competition for both teens and adults on June 16. Cost is \$20 for a team of four. Teens will compete at noon and adults at 6:30pm. Teams will need to finish a large pizza, 20oz soda, and a 300-piece puzzle. Registration is required. The public is invited to watch the competition.

We are having an after-hours **Sushi Making class** on Friday, June 20, at 6:00pm. Ukrainian native Viktoriia Medved will lead this program. Cost is \$30 and participants will make 2 sushi rolls. Registration is required for this event.

To see a complete list of all the upcoming programs, or to sign up for a library event, please visit our website at www.siouxcenterlibrary.org.

Interstates Builds with Purpose

Interstates received the Excellence in Community Award from Associated Builders & Contractors (ABC) of Iowa for the second time. This award highlights companies that have made outstanding volunteer efforts in Iowa communities. "We are thrilled to recognize Interstates for their outstanding community volunteering efforts," said Greg Spenner, President & CEO of ABC of Iowa. "Their dedication, passion, and commitment to giving back to the community are truly inspiring, and we are grateful for all that they do."

Following the devastating flooding in Northwest Iowa, Interstates responded swiftly to support the impacted communities of Rock Valley and Hawarden. While only a few team members were directly affected, the company rallied to provide immediate assistance through four organized volunteer efforts.

Highlights included donating and serving over 2,700 individuals with meals at a community event in Rock Valley—far surpassing the original plan of 1,000—along with a second meal in Hawarden serving around 400 people. Interstates also coordinated donation drives, collecting essential items like hygiene products, clothing, and blankets, and partnered with Van Meter to distribute much-needed supplies, such as generators and electrical equipment. Beyond these efforts, 115 Interstates team members volunteered more than 1,500 hours in just two weeks, many on their own initiative.

This award reflects the heart of the Interstates culture: making a difference in the communities they serve. It underscores the company's commitment to building strong relationships and being a dependable partner, especially in times of need. The dedication of the team exemplifies Interstates' values and highlights the company's commitment to excellence, not only in its work but also in its contributions to the communities it calls home.

Interstates was honored to receive the ABC of Iowa Community Service Excellence Award alongside Van Meter Inc., with a \$1,000 donation awarded to Rock Valley Community School District which was matched by the Interstates Foundation.
