As a free benefit for Chamber members at the Entrepreneur Level and above, you're invited to include promotional items in these bags! Ideal contributions include:

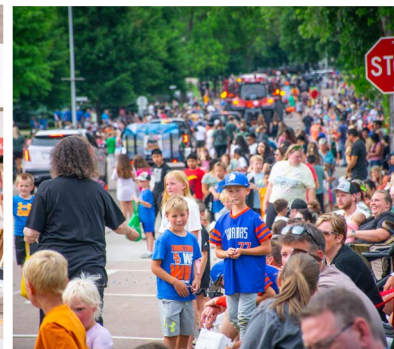

- **Brochures**
- **Small gifts or samples**
- **Items featuring your business logo**

Want to participate? Simply drop your items off at the Chamber office. We'd be happy to include them!

SUMMER CELEBRATION

SIoux CENTER, IA · JUNE 5-7, 2025

Thank you to everyone who helped make the Summer Celebration weekend a success!

If you were a sponsor, thank you for helping make so many of the events free for families to enjoy.

If you were a volunteer, thank you for taking your personal time to serve.

If you were a committee member, thank you for giving so much of your time and energy throughout the weekend.

We are truly blessed with a wonderful community!

Thank you to all who sponsored, played and enjoyed the 48th Annual Chamber Golf Event!

Welcome Madison Borchers to Beaver Eye Care!

We're thrilled to announce that Dr. Beaver's daughter, Madison (and Rees's sister!) will be joining our practice starting July 1.

Madison brings valuable experience from her time working in a private practice in Indianapolis, IN, where she's spent the past two years serving patients with care and dedication.

She and her husband, Chris Borchers, recently welcomed their son, Lox, born on October 27, 2024.

Please help us give Madison a warm welcome as she returns to our community and begins this exciting new chapter with us!

KIDS CLUB Lemonade Stand

To do:

- ☒ Stop at ASB or Perspective
- ☐ Get lemonade stand starter pack
- ☐ Set up and sell!

JULY 2025 Library Announcements

The Sioux Center Public Library will be closed on Friday, July 4, for Independence Day.

The library is having a **build-your-own Stuffed Alien Party** on Tuesday, July 8, from 6:30-7:30pm. Kids aged 4-9 are invited to register. Cost for the program is \$12. All kids will be able to take home their own stuffed alien!

On Thursday, July 10, the library will have a drop-in, **glow-in-the-dark space adventure** at the library for youth of all ages! We'll have the room set up with black lights and a variety of interactive activities including asteroid toss, battleship: spaceship edition, and more! If you wear neon colors or white, you may even see your own clothes glow!

Teens and Adults are invited to participate in a **Pizza, Puzzle, Pop Challenge** at the library on July 14. Teams of four will compete to finish a large pizza, 300-piece puzzle, and 20 oz of soda. Teens will compete at noon and adults at 6pm. Registration is required and space is limited so sign up soon!

Dr. Jeff Gladstone will be giving a presentation called **"It's Not Rocket Science"** on Thursday, July 17 at 7:00pm in the library. Dr. Gladstone is an Associate Professor of Engineering at Dordt University. He will talk on all things rocket engineering – from creating solid rocket motors with the Aerojet company,

to establishing an engineering program at Northrise University in Ndola, Zambia. In current events, the rocket motors that he helped design 25 years ago took their final flight last summer, lifting NASA astronauts Butch Wilmore and Suni Williams to the International Space Station. In this presentation he will share his thoughts about the 9-month "stranding" of these astronauts, insights on SpaceX rockets and missions to Mars, and more about his experiences in 40 years of engineering.

Kids in 4th-6th grade are invited to join us for a week of **Spanish language learning** from July 21-25! We'll play games and do activities to learn some basic Spanish. No prior knowledge is necessary. Registration is needed.

The public is invited to join us at the library for a **lunar presentation by Dr. Channon Visscher from Dordt University** on Tuesday, July 29 at 7:00pm. He will talk about past missions as well as preparing for future exploration.

To see a complete list of all the upcoming programs, or to sign up for a library event, please visit our website at www.siuoxcenterlibrary.org.

Hi Sioux Center Friends,

We are thrilled to finally be owners of a brick and mortar location in our own hometown! We've enjoyed our time for the last 8 years in our temporary structure but now we can offer a more comfortable shopping experience for our customers! Can you say "Air Conditioning"?!!

This dream has been years in the making... since 2017 to be exact. That was the year we realized how many boxes need to be moved when you own a business like this! Our backs are pretty happy that we won't be taking down the shelving and the building every summer! Especially since our kids are leaving the nest so we have less "built in" help.

This crazy endeavour has proved to be a great opportunity for our family and we ask for the community's support of our locally owned family business. "Locally owned" now means more to us than ever and we look forward to continuing to build this fantastic community where we both grew up.
