Welcome Randa to Children's Dental Centre!

We are thrilled to welcome Randa (Hulstein) Poel to our Children's Dental Centre family! A skilled and compassionate dental hygienist, Randa brings both experience and heart to our practice. She recently returned to her hometown with her husband Dan and their three children—Meritt, Auden, and Adler—and we couldn't be more excited to have them back in the community. Randa's gentle touch and dedication to patient care make her a perfect fit for our team, and we know our young patients (and their parents!) will feel right at home in her care.

Welcome, Randa!

Kwik Star

About Kwik Star

Kwik Trip began in 1965, and Kwik Star joined the brand in 1993. This year, the company proudly celebrates 60 years of serving its communities. From one small store to now over 900 locations — including more than 150 stores in Iowa alone — this milestone reflects the hard work and dedication of its coworkers and the loyalty of its guests.

Kwik Trip/Kwik Star is a family-owned company that serves 11 million customers each week with convenient, clean retail stores. Many of the private label products featured in the stores are produced in-house. The La Crosse, Wisconsin-based headquarters operates its own commissary, bakery, and dairy. All three facilities are FDA approved and produce a wide variety of items, including sandwiches, soups, fresh bakery products such as white and wheat bread and buns, muffins, donuts, cookies, and bagels, as well as the Nature's Touch brand of dairy products, milk, ice cream, and water.

The company also maintains its own distribution center and fleet under the Convenience Transportation name. Recognized as a Top Workplace by the Milwaukee Journal Sentinel, the Minneapolis Star Tribune, and the Des Moines Register, the company continues to focus on growth and providing exceptional service to its communities.

Sioux Center Christian School's Blazer Center Nears Completion

TRAINING STUDENTS NOW AND FOR GENERATIONS TO COME

After years of planning and 18 months of construction, Sioux Center Christian School is nearing the completion of its new Blazer Center campus addition—an exciting milestone that reflects both our vision for the future and strong community support. With final touches being made, the space will be ready to welcome students on the first day of school, Monday, August 25.

The Blazer Center was designed to be more than just an expansion—it's a space where students are equipped to grow academically, socially, and spiritually. Key features include:

- A welcoming, multi-use lobby for daily student use and large group gatherings.
- A new gymnasium, more than twice the size of our 1971 gym, that will host PE classes, athletic events, chapels, concerts, and drama performances. With seating for around 1,300 people, most school events can now be held on-site.
- Six spacious classrooms for 7th and 8th grades, including a modern science lab, as well as flexible collaboration areas for student interaction and teamwork.

The \$13.7 million project—approved in 2021—has remained on budget. Thanks to the incredible generosity of local businesses and many supporters, \$10.7 million in gifts and commitments have been received.

Giving makes these spaces a reality and we are excited to see generous support continue as we work to complete the funding on this addition that will impact students for generations.

We invite all Chamber members and community supporters to celebrate with us at our Blazer Center Open House on Friday, August 22 from 9:00am to 1:00pm, with a Chamber Ribbon Cutting ceremony at 10:00am.

"We invite you to come and see the goodness of God reflected in the craftsmanship, design, and function of the Blazer Center. As we begin our 120th year of treasuring and training God's children, we are both excited and grateful to open this new space that will serve students for years to come."

— Paul Brenner, Head of School, Sioux Center Christian School
