EDA Celebrates 40 Years of Engineering Excellence!

This October marks a significant milestone for Engineering Design Associates, Inc. (EDA Inc.)—40 years in business! Founded in 1985 by Dean Pfeil, EDA began as a mechanical HVAC and plumbing engineering firm. In 1994, the company expanded its services by adding electrical engineering to its portfolio.

Today, EDA employs a skilled team of 16 professionals, including 6 licensed mechanical engineers (PEs), 3 licensed electrical engineers (PEs), 1 electrical engineer-in-training (EIT), along with designers, drafters, and administrative staff. EDA is licensed to provide engineering services in Iowa, Minnesota, Nebraska, North Dakota, South Dakota, and Wisconsin. Over the years, our expertise has also reached projects in Idaho, New Mexico, Missouri, Oklahoma, Oregon, Virginia, and Washington.

Locally, some of our recent projects include Kroese & Kroese, P.C., Promise Community Health, the Sioux Center Christian School Addition, Sioux Center High School, the ASB Dome, and multiple facilities at Dordt University the most recent being the Dining Hall/Commons/Recital Hall.

We are deeply grateful to our clients, partners, and community for their trust and support over the past four decades. Thank you for being part of our journey!

Celebrate Duen Integration Launch Exclusive \$5,000 Sioux Center Chamber Member Giveaway

Duven Integration, a modern smart home company, is thrilled to announce our official launch and our membership in the Sioux Center Chamber community! Owners **Scott and Rio Vande Vegte**, who bring a century of family legacy to the area, are ready to serve the Siouxland community with expertise in **smart home and AV integration**.

Our vision is to **lead the evolution of intelligent technology** by bridging the gap between cutting-edge innovation and your everyday needs. We believe that technology should seamlessly enhance your life, not complicate it. At Duven Integration, we are committed to making **integrated systems accessible, user-friendly, and truly transformative**. Our goal is to empower you to create intuitive, efficient, and enjoyable spaces that adapt to your lifestyle with ease. From simplifying your **home entertainment to automating your home's lighting**, we are here to make your home work for you.

Peoples Bank Partnering with Rising Arrows for 5th Annual Christmas For A Cause

Peoples Bank in Sioux Center is excited to partner with Rising Arrows for the 5th annual Christmas For A Cause at Heritage Village in Sioux Center.

The event, which is free and open to the public, will feature festive walk-through Christmas light displays throughout Heritage Village, creating a fun Christmas experience for all ages. In addition to the lights, attendees will have the opportunity to support Rising Arrows.

Rising Arrows is a non-profit ministry that originated at New Life Church in response to a growing community need for childcare, adequate food, and additional learning during the summer months. The program also provides a high-quality summer learning experience that is safe, fun, and guides kids to recognize the asset they are to their community. Rising Arrows started with 23 kids in the summer of 2021. Now, Rising Arrows partners with Kinsey Elementary School and has grown to 140 kids.

The Rising Arrows program is 9 weeks, 3 days a week in the summer months. Breakfast, lunch, and a snack are provided daily. Days consist of optional Bible lessons, physical activities, crafts, and life skills. They also provide math and reading lessons daily to further the kids' academics. On Fridays, kids get to experience Sioux Center and amenities the city has to offer.

«We are grateful to have been selected by Peoples Bank of Sioux Center to be this year's

Christmas For A Cause partner!" says Rising Arrows Founder Sam Mosher.

"We are so thankful for the opportunity to be at Christmas For A Cause, to meet people, and share a little bit more about Rising Arrows with them as they enjoy the Christmas season!"

Funding for Rising Arrows is provided through the blessings and generosity of donors. Learn more about Rising Arrows at nlrchurch.org/rising-arrows.

Event Details

This year's event will run from Friday, November 28 through Saturday, December 27, 2025, from 5:00 PM - 10:00 PM each night at Heritage Village. Admission is free, and all freewill donations will benefit Rising Arrows. Donation boxes will be at the event, or you can give online at nlrchurch.churchcenter.com/giving (make sure to select Rising Arrows from the dropdown menu).

Rising Arrows volunteers will be serving hot chocolate inside Doc's Café at Heritage Village for a freewill donation to Rising Arrows. Hot chocolate at Doc's will be open from 6:00-9:00 PM on the following weekends and dates: November 28 & 29 and December 4-6 (Sioux Center's Hometown Holidays), 12 & 13, and 19 & 20 (weather permitting). Other events are being planned for the weekends, so stay tuned for more information!

Children's Dental Centre Welcomes Janie Van Donge!

We're excited to welcome Janie (Schoonhoven) Van Donge to our pediatric dental team at Children's Dental Centre as a Dental

Assistant Trainee! Janie brings a strong work ethic and team spirit, made clear through her experience as an All-American basketball player at Dordt University.

She will be completing her training with us as she works toward becoming a Registered Dental Assistant, and we're thrilled to support her on this journey. Janie's dedication and positive energy make her a great fit for our office, and we know our patients will love her just as much as we already do!

"This event reflects our commitment to Peoples Bank's core values by enriching families and communities in meaningful ways," said Dale Vander Berg, President of Sioux Center Peoples Bank. "It's a free, family-friendly event where guests can enjoy the beautiful Christmas light displays at Heritage Village and also support the impactful work of Rising Arrows."

Over the years, an estimated 19,000 people have enjoyed Christmas lights while supporting local non-profits. Peoples Bank is proud to continue its tradition of community involvement and holiday cheer and encourages everyone to come out and enjoy the lights and support Rising Arrows!
