JANUARY SESSION

County and City Government was the theme for last month's LSC session. We spent time learning about the many valuable ways our county serves us. We toured the Sioux County Jail, the Courthouse and learned from many county employees. We also toured the Sioux County Regional Airport and had an opportunity to visit with some of our city leaders and elected officials.

Thank you for all who partner with us to make each session a valuable learning opportunity for our participants!

REAL ESTATE spring market outlook

- 2023 likely will become a year of long-lost normalcy returning to the market.
- Expectations for buyers and sellers will need to be reset as the market changes.
- Mortgage rates and home prices are expected to moderate.
- With mortgage rates continuing on a down-ward trend and inflation declining there will be more opportunities for buyers.
